

PROCEEDINGS OF THE CHEMICAL POLYMER NOMENCLATURE IN GLOBAL CHEM

A telephonic meeting of the chemical polymer nomenclature of Global-Chem, a Florida corporation (the "**Corporation**"), was held on Google Video Chat on 07/13/2023 at 9:30 AM Central Standard Time[, pursuant to notice given in accordance with Section 607.0822 of the Florida Business Corporation Act and the Corporation's bylaws].

All of the participants were present at the meeting: Suliman Sharif

Suliman Sharif, Vedant Menkudale, Sevien Schulhoff were present at the meeting but participated by telephone. It was confirmed that all participants in the meeting could hear and be heard by all other participants in the meeting.

Suliman Sharif, the Chief Operations Officer, acted as Chair of the meeting and as Secretary of the meeting.

The Chair called the meeting to order.

Based on the number of participants in attendance at the meeting and the Corporation's bylaws, the Secretary determined that a quorum was present and maintained throughout the meeting and stated that the meeting could proceed.

The first order of business was initiating the proceedings and series of talks.

The next item discussed at the meeting was:

- Common repeated monomers that are used in the industry. Lists were abstracted from Sigma Aldrich. It was agreed that Suliman Sharif will write the 1-D molecular language form, SMILES, and Vedant, would write the initial chemical names.
- Paint Nomenclature and first nodes placed in the knowledge graph would be common chemicals used in industrial and water based solvents

The Secretary reviewed the schedule of upcoming board and committee meetings for the remainder of the calendar year. The Chief Operating Officer highlighted that the next meeting of the board of directors was scheduled to be held on 07/20/2023 at 9:00 AM Central Standard Time, at the same location and requested that any concerns about the timing of the next meeting be submitted to the Secretary.

There being no other business to consider, the meeting was adjourned 10:10 AM Central Standard Time..
